To Whom It May Concern:

I wanted to take a moment to thank you for the service you provided last weekend. Although you were extremely busy, Joel took time to personally assist me and help complete my plans for my project. All materials were promptly delivered and even after I mis-communicated the type of stone I wanted, the proper stone was delivered within an hour.

Thank you for the excellent customer service!

Sincerely,

Brad A. Nelson

P.S. Joel, that's how we do it at Class Act.
